**Please help us give hope to these
extraordinary children!!**

Why Sponsor the 4th Annual Gracie's Open?

Gracie is a beautiful 6 year old girl who suffers from Cerebral Palsy, Pervasive Developmental Disorder, and possibly some other unknown debilitating disorders. She has benefited tremendously from Hyperbaric Oxygen Treatments (HBOT). In just 80 treatments, she went from struggling to take 10 steps to almost running. These incredible treatments have offered her a hope that her family never thought would be a reality. Gracie's Hope was founded after realizing how many families want to have this same hope for their children, but have no way of financially providing it. When you golf for Gracie, you are not only golfing to help her continue HBOT and numerous other treatments, but also helping other families have the hope that their children may someday lead "typical" lives. Please help give these families the hope they need for their children.

Who benefits from Gracie's Hope?

Due to the huge outpouring of love and support through friends and neighbors, Gracie's Hope has already raised enough money to provide over hundreds of HBOT treatments for Gracie and 10 other children. There are more children that need to be helped. To see stories about the children that have benefited from Gracie's Hope please visit www.gracieshope.org.

Our Mission

Gracie's Hope Inc. is a non-profit organization committed to help improve the lives of children with special needs. We help provide funding for therapies such as, but not limited to, PT, OT, Speech, Chelation, and Hyperbaric Oxygen Therapy. We also help provide needed equipment and assist families in finding respite care, and other needed services.

Why in memory of Diane Phillips?

Diane was a very loving and giving woman. She was the very first donor to Gracie's Hope, paying for Gracie's first round of 40 HBOT treatments. These treatments allowed Gracie to crawl for the first time at 3 years of age. Diane loved Gracie tremendously and always hoped to see her reach her full potential. Diane's family loves her dearly and wants everyone to remember her generous and kind spirit.
